

Huawei Twitter and Facebook December 10-11

HuaweiUSA @HuaweiUSA · Dec 10
 #Collaboration between different organizations like universities and enterprises is key to solving the talent gap in #ICT and technology. Check out how Huawei's #ICTAcademy helps close the gap.

Huawei Closing the Gap Between Industry and Education
 The Huawei ICT Academy, in collaboration with the Ministry of Education, will provide training and certification to more than 50,000 students
